Dear Mr. Barbieri:

This letter serves as a reminder that the United States Environmental Protection Agency ("U.S. EPA") and Mr. Donald Hull have mutually agreed that U.S. EPA will take Mr. Hull's sworn statement, for the purposes of determining liability and otherwise collecting information relating to the Albion-Sheridan Township Landfill Superfund Site, on and at the following:

June 3, 1992  
2:00 P.M. EST

Albion City Hall  
112 W. Cass Street  
Upstairs Conference Room  
Albion, Michigan 49224

As I indicated in my undated letter delivered to you on May 11, 1992, U.S. EPA requests that Mr. Hull bring with him any records in his possession which relate to the Site. These records should include, but are not limited to any information concerning the shipment of waste oils or hazardous substances to the site, the generators of the substances, and a description of the substances at the site.

In the event Mr. Hull is unable to attend on the date stated above, please contact me immediately. If you have any further questions concerning this matter, please contact me at (312) 886-7152.

Very truly yours,

Kurt Lindland
